

The Mask of Inanna is the mystery of Leonard Allen, host of the popular 1950’s radio horror show *After Dark*, who is taken out of retirement by a mysterious society to finish his show over pirate radio broadcast from a New England lighthouse. Every episode is two shows in one: Allen’s story and an episode of the original *After Dark*!

This volume includes:

Episode 9: Apocalypse

In which Leonard Allen turns against his benefactors to deliver the final show and collides with David Lewis in an apocalyptic showdown.

This episode’s *After Dark* tale: “The Golden Rescue of Sinbad”

Running Time: 2:18:52

The complete series is available at: themaskofinanna.com

“*The Mask of Inanna* does for modern audio drama what *Lost* did for television, but better!” — Paul Redding, Fan
